Explanation - Department of Corrections, Youth Services Division
- This amendment adds \$52,200 general fund per year or \$104,400 for the biennium to add back funding that was removed twice. A reduction in funding for a youth services contract for counseling services was included in the agency 5% reduction plan and was also included in subcommittee action that removed funding for selected contracts. Thus, funding for this contract was removed from the agency budget two times.
